***Following a change in the national CQUIN Programme, HCT services are now required to deliver the nationally set CQUINs applicable to community trusts over a two year period**

Quality Priorities 2017-18

	HCT Lead	HCT Exec Lead
❖ QP1: We will support people with health conditions and disabilities to manage their own care as far as possible	Jackie Davenport Head of Transformation	Julie Hoare Director Service Development and Partnerships
❖ QP2: We will support the population we serve by developing patient-focussed outcomes to improve their health and wellbeing. Patient-focussed outcomes will underpin the work being undertaken to support the Trust's Health & Wellbeing Strategy	Jill Callander Lead Allied Health Professional	Dr John Omany Medical Director
❖ QP3: We will support patients with complex needs, who are cared for by our Integrated Community Teams (ICTs), to be involved in their personalised care planning through the effective use of Electronic Care Records (ECR) on SystemOne. These will incorporate linked care plans and assessment tools, resulting in patients receiving coordinated and personalised multi-agency care	Caroline Holmes Clinical Quality Lead Nursing E&N	Marion Dunstone Director Operations
❖ QP4: We will improve the safety of our patients through reducing the number of patients in our care who develop avoidable pressure damage	Heidi Sandoz Tissue Viability Services Lead	Clare Hawkins Deputy Chief Executive, Director of Quality / Chief Nurse
