Occupational Therapy Virtual Screening Clinics

Screening Clinics are for children between 4 years and 8 years old i.e. Early Years and Key Stage 1 / Reception to Year 2. The clinics are to provide families with advice and support when there are concerns about their child's development.

What to expect at a Screening clinic?

To attend one of these clinics you will need to book via Eventbrite (See below dates and links).

- Once you have booked a date, we will send you some forms to provide us with information about your child and you are asked to email these back to us.
- After we have received your completed forms we will confirm your individual time slot and send you all the information you need to log in and attend your child's appointment.
- If you have any difficulties booking please contact us on 01992 823193..

Further information about the clinics and what to expect can be found on the Eventbrite link below.
