## Occupational Therapy Virtual Screening Clinics

Screening Clinics are for children between 4 years and 8 years old i.e. Early Years and Key Stage 1 / Reception to Year 2. The clinics are to provide families with advice and support when there are concerns about their child's development.

### What to expect at a Screening clinic?

To attend one of these clinics you will need to book via Eventbrite

- Once you have booked a date, we will send you some forms to provide us with information about your child and you are asked to email these back to us. Please check your junk/spam email folder.
- After we have received your completed forms we will confirm your individual time slot and send you all the information you need to log in and attend your child's appointment.
- Your place is not confirmed until we receive the completed forms.
- If you have any difficulties booking please contact us on 01992 823193.

**In order to view dates for the upcoming screening clinics you will need to register with Eventbrite and a notification will be sent when dates become available each term.**

**Further information about the clinics and what to expect can be found on Eventbrite by searching for 'HCT OT Virtual Screening Clinic'.**
